

WE ARE PROUD TO HAVE THEM AMONG US

PMI Mena Chapter is overconfident of its experienced, well recognized, and treasured Pool of independent instructors who add benefit to the educational process, spread the knowledge in a professional manner, and encourage more and more self-motivated educational trends.

Most of all, we are proud to have had the highest percentage of these successes starting up with acquiring their PMP credentials from our Chapter, where prospect were found in them - a talent we own - and our fruitful relationship was growing everyday where we gave them encouragement and ideas, and they gave us results.

Among these successes are, volunteers being PMI credential holders:

PMI - RMP RISK MANAGEMENT
